

PRESS RELEASE

# MUGATO ANNOUNCES LEADERSHIP CHANGE

Copenhagen, Denmark — Jun 2, 2025

Mugato is pleased to announce a significant change in its executive leadership. The company is excited to welcome a new CEO, Christian Stendevad, who will lead Mugato into its next phase of growth and innovation. Christian will officially assume the role on June 1, 2025.

Christian comes with deep experience in scaling up software companies, having held key leadership positions at both Omada and most recently Penneo. “We are proud to have attracted such a strong leader as Christian,” says Erik Kaae, Chairman of the board. “We are looking forward to seeing Christian take Mugato to the next level including robust growth internationally.”

“I’m truly excited to be joining Mugato and to work alongside such a highly skilled and visionary team,” says Christian. “I’ve been deeply impressed by what the company has achieved so far — the strength of its product, the caliber of its customers, and the impact it creates for large, complex organizations. Mugato solves a real and pressing problem in the IT infrastructure space, and the potential for further growth is very significant. I look forward to building on this solid foundation and driving the next phase of international expansion together with the team.”

”

We would like to extend our heartfelt gratitude to our current CEO, Ulrik Høyer Obel, for his exceptional leadership and dedication. Under Ulrik’s leadership, Mugato has reached significant milestones and established itself as an industry leader. Ulrik’s vision and commitment have been instrumental in driving the company’s success and growth.

Ulrik will continue to be an integral part of the Mugato family, transitioning into a senior executive sales role. In this new capacity, Ulrik will focus on strengthening our sales strategies and expanding our market presence.

# About Mugato

Mugato provides enterprise-grade IT infrastructure discovery and dependency mapping solutions that enable organizations to execute complex infrastructure projects with confidence. Trusted by global enterprises across regulated industries, Mugato's platform delivers the visibility and insights required to reduce risk, accelerate timelines and ensure business continuity during critical infrastructure transformations.
